

Section 3 (To Be Completed by Innovator)

1. File Number

2. Software Title

Background Information

3. Is there a previous version of this software?

Yes

No

If yes:

4. What is the current version number?

5. What are the other version numbers?

6. Has there been a previous release of this software to others?

Yes

No

If yes, please provide details

7. Is there related software?

Yes

No

If yes, please provide details

8. If yes, has any of the related software been released to others or is a software release request pending?

Yes

No

If yes, please provide details

9. Has the software been offered for sale to the public?

Yes

No

If yes, please provide details, including dates

10. Has the software been offered for lease to the public?

Yes

No

If yes, please provide details and a copy of the license

11. Has the software been offered for license to the public?

Yes

No

If yes, please provide details

12. For what GSFC code was the software developed?

13. Was the software developed under a contract?

Yes

No

If yes, please provide details, including the contract number

14. Was the software developed under a grant?

Yes

No

If yes, please provide details, including the grant number

Innovator Information

15. **Pease complete the following information for each innovator involved.**

Name

Code

Phone

E-Mail Address

Status

Please state *other*:

Government Employee (i.e. civil servant)

Small Business Entity

Large Business Entity

Non-Profit Organization

College or University

Other

(Please use additional sheets if necessary)**16. Who designed the software?****17. Who wrote the software code?****18. Is there a plan for further development of this plan?**

Yes
No

If yes, please provide details**19. Is there a plan for beta testing of the software?**

Yes
No

If yes, please provide details

20. Is the software protected by patent?

Yes

No

Don't Know

If yes, please provide details

21. Provide a general description of the software

22. Does the software perform any analysis of network traffic?

Yes

No

If yes, please provide details

23. Does the software incorporate open source software, freeware, or shareware?

Yes

No

If yes, please provide details, including a copy of any license

24. Does the software contain any proprietary third party software?

Yes

No

If yes, please provide details, including a copy of any license

25. Does the software use encryption?

Yes

No

If yes, please provide details

26. Is there a copyright notice displayed in the software?

Yes

No

If yes, please provide a copy of the notice displayed

27. Does the software documentation contain owner's manuals, user's manuals, installation instructions, operating instructions, design details, algorithms, processes, flow charts, formulae, or other related material that would enable particular NASA software or functional equivalents thereof, to be reproduced or created?

Yes

No

If yes, please provide details

28. Who else could be a likely end-user of the software?
